

WELCOME

TO CAIRNS CYCLING CLUB GREAT BARRIER REEF MASTERS GAMES

Featuring three days of cycling events, we are excited to support the Great Barrier Reef Masters games for another action packed weekend of sport – taking in the picturesque sights Cairns has to offer.

GREEN HILL GORDONVALE KERMESSE

SATURDAY 27 MAY '23

Closure times: 7am to 1pm

Roads affected:

Pine Creek Yarrabah Road,
Greenhill Road & Gray Road

RACE START

Riders will proceed to the intersection of Pine Creek Yarrabah and Greenhill Roads in neutral race conditions under police escort, traffic conditions may be affected.

Roads affected:

Norman Street,
Highleigh Road,
Crossland Road & Pine
Creek Yarrabah Road

ROAD CLOSURES

Residents encountering the convoy simply need to wait on the roadside for the convoy to move past quickly and follow instructions. Most times a wait of two to three minutes is all that the motorists will have to endure. We thank you for patience.

If you somehow become entangled in a race, here are five simple guidelines to follow:

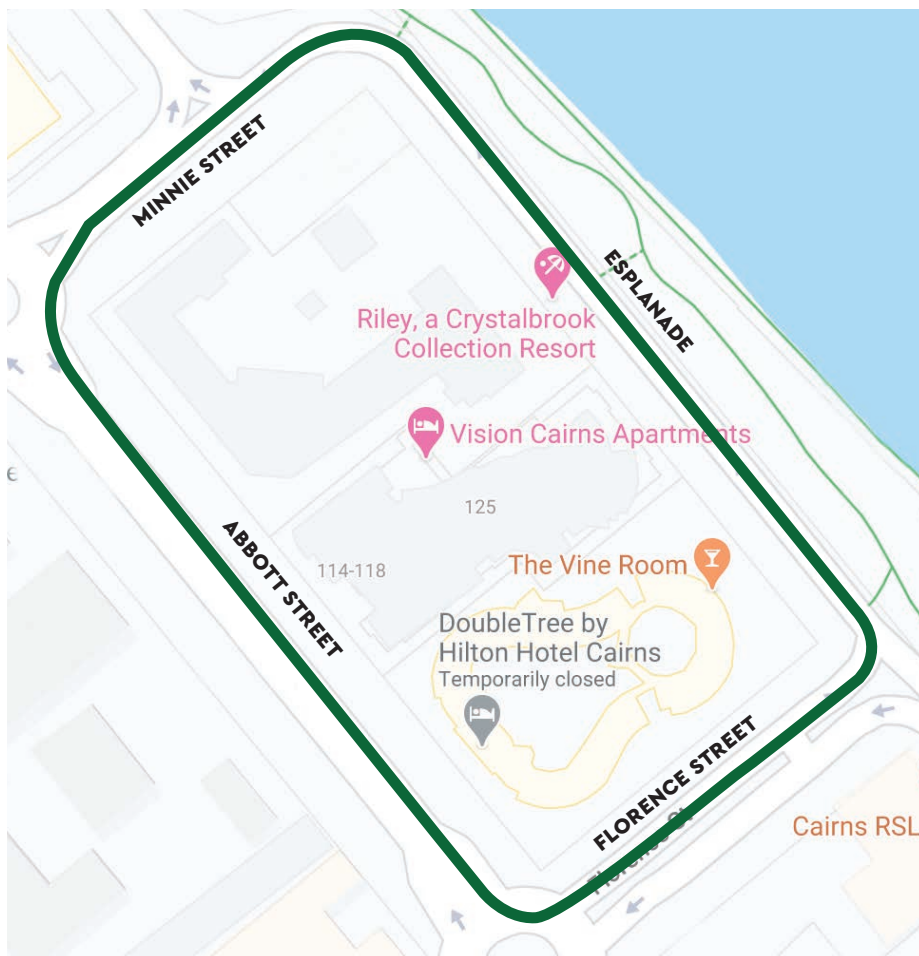

1. Switch on vehicle hazard lights and start to slow
2. Move to the left-hand side of the road slowly (after checking there are no bikes to your left)

3. Wind down the windows and if need be signal with your arm your intention to move to the left hand side of the road (as cyclists cannot always see your lights)

4. Stop your vehicle off the road if safe
5. Do not proceed again, until the last Police vehicle arrives

RESIDENTS OF THE AFFECTED ROADS

It is requested that residents travel in the direction of the event as indicated on the map above to avoid conflict with cyclists.

CAIRNS ESPLANADE CRITERIUM SUNDAY 28 MAY '23

Closure times: 9am to 4pm
Street parking restricted from 5am

Roads affected:

Circuit of Esplanade, Minnie St,
Abbott St & Florence St

FULL ROAD CLOSURES

Residents affected by road closures
as documented in this brochure are
reminded of the following information:

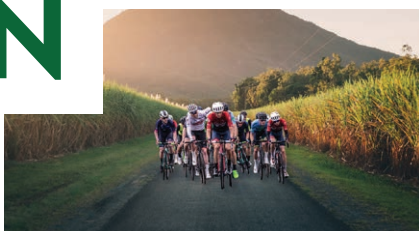

During the road closure all driveways
will have a traffic cone placed centre
of drive to remind residents of the road
closures, residents needing to enter or
exit their properties will be required to
call the event mobile number provided
where egress will be attempted to
be coordinated between events
(typically on the hour from 10am). It is
recommended vehicle movement during
the time of the event be avoided.

*Emergency services will not be affected
and will have full access.
